

**Staybridge Suites St. Petersburg Downtown has been
Recognized on the Expedia Insiders' Select® 2015 List Among 650
Properties Worldwide**

Rankings Powered by More Than Two Million Annual Guest Reviews

St. Petersburg, Florida, USA, August 4, 2015 – ***The Staybridge Suites St. Petersburg Downtown*** today announced that it has received the distinction of being named an Expedia Insiders' Select hotel for 2015. This annual list represents a ranking of the world's best reviewed hotels as determined by direct customer feedback on Expedia.com®. The 2015 class of Insiders' Select hotels is based off of more than two million customer Verified Reviews, meaning Expedia® confirmed the traveler's booking on Expedia.com in order to review the property. The winning hotels were identified this year by Expedia travelers as properties in top global destinations providing excellent overall guest service and maintaining a minimum guest review score of 4.7 out of 5.

Now in its eighth year, Expedia continues to leverage traveler reviews and local market expertise to deliver this highly comprehensive list of top hotels to help customers feel confident they are making the best-possible booking decision. The 2015 list names 650 exclusive properties as Insiders' Select winning hotels from among bookable properties available on Expedia, Inc. websites worldwide.

"We're delighted to recognize this select group of hotels that have exceeded customer expectations in key aspects of the hotel experience," said John Morrey, Vice President and General Manager, Expedia.com. "By empowering our travelers with real reviews penned by real hotel customers, we are providing the knowledge to make informed booking decisions."

Visitors to Expedia.com can find Insiders' Select-designated properties by sorting via the Hotel Preferences amenity drop-down menu. These hotels will also feature an Expedia Insiders' Select badge on their hotel description page. For more information on Insiders' Select, visit <http://www.expedia.com/insidersselect>.
